### Superintendent Report – Christopher Swiatek

Mr. Swiatek came to our October meeting and spoke about the new security measures going on at Blasdell and throughout the district. At Blasdell this includes new security film on the first-floor windows and doors. Locked entrances with limited key fob entry. We will also be getting film on our interior front entrance so that people cannot see into the hall. He also went into more detail about the new front entrance, bus loop, extra parking and new playground. They will also be adding new drainage for green space on the side for kids to play. They will do their best to keep trees, but some will have to come down and they will plant new ones. The community garden will be moved near the new playground and the Blasdell bell is being preserved and will be put in a glass case and put inside. Mr. Swiatek addressed an online petition that was going around regarding a daily lunch option of cheeseburgers. He let us know due to budget and supply they would probably not be back as a daily option but that the new Food Service Manager Anne Rich is doing a great job, and is great at communication

### Principals Report – Shannon Thurston

Mrs. Thurston spoke about the lock down drills and how information is sent out via Blackboard. She also spoke about parent volunteer training, how parents are allowed to be homeroom parents, and volunteer to go in to the classrooms. As well as the opportunity to go in and have lunch with your child.

### Teachers Report – Helen Senese

The new teachers thanked the PTA and parents for supplying books/supplies from their Scholastic wishlists.

4<sup>th</sup> & 5<sup>th</sup> grade: Clubs are starting: Yoga, art, service and Student Government

Square 1 Art: The art is being worked on with Ms. Juron on art class. Information will be sent home.
