## ABSENCES

It is important that you make every effort to be in class each day. If you are absent it is **YOUR RESPONSIBILITY** to make up missed work.

- ✓ You will need to show me any missed homework assignments the day you return.
- ✓ All quizzes and tests are to be made up on the day of return unless the student was absent more than one day. \*In this case, see the teacher to determine an acceptable time frame to make up any missed work.

## ACADEMIC DISHONESTY

*If a student is involved in academic dishonesty (cheating, plagiarism, etc.), a zero will be given for that assignment. No makeup assignment will be provided, and if there is an opportunity to drop a grade during the marking period, the above mentioned zero will not be dropped. The next lowest grade will be dropped.*
